

**Family
Letter**

J

Dear Family,

My name is Ms. J. As you can see, I have jingling jinglers all over my jacket. I call it a jingle jingle jacket! Whenever I jump, jog, or juggle, my jacket jingle jingles. Whenever I stop—not a sound!

Here are some fun things you can do at home to help your child remember my sound and my letter J/j.

- ✓ Play “Stop the Music.” Put on some music, and have your child jog to the music. Your child might also want to sing along: “Jingle jingle.” Then stop the music—suddenly. When the music stops, your child stops jogging. Sometimes your child might jump, or even juggle, to the music. Ask your child to Prove these words: Say “Jingle jingle jacket juggle.” Sure enough, juggle starts with the same sound as jingle jingle jacket!
- ✓ Ask your child to write my capital and lowercase letter, J and j, on a piece of paper. Tape this label to a clean plastic jar. Let your child look through old magazines and newspapers for things whose names start with the same sound as jingle jingle jacket. If your child can Prove the word, the picture can go in the jar. Your child might also enjoy finding words that start with my letter J/j in newspaper or magazine ads. These can go in the jar, too.

I just hope you have a great time together!

Sincerely,

Ms. J
